I came one day,

a stranger, to your gates

from solitude

into a changing world

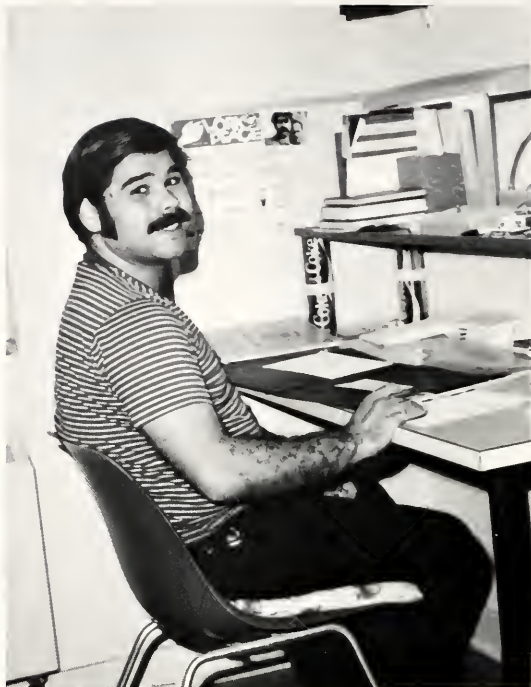

You gave me a multitude of friends . . .

You taught me how . . .

to smile . . .

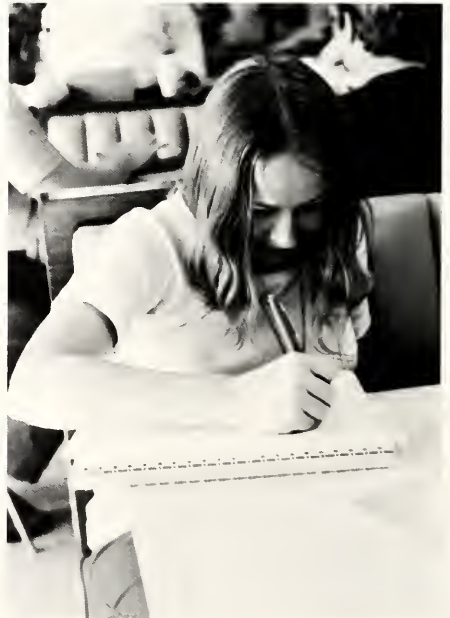

To love, and lift, and —

so find joy in life

each apart

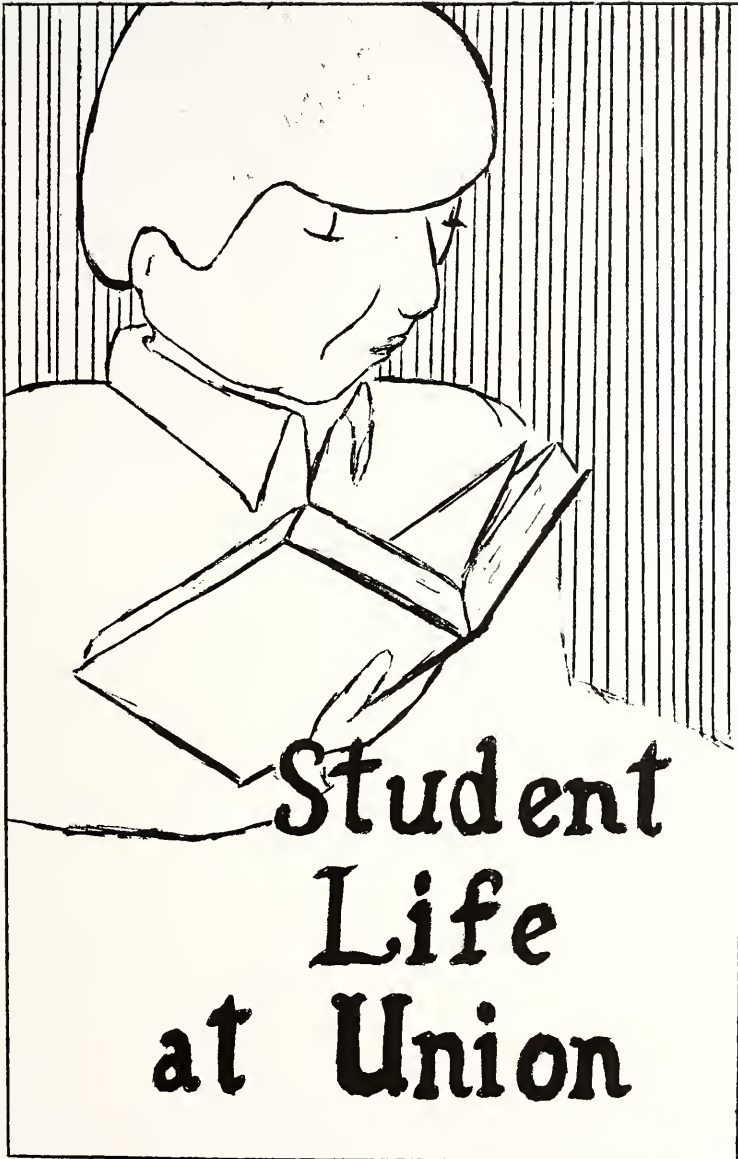

now together

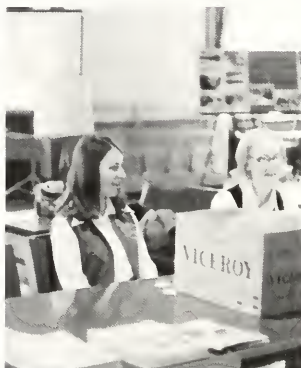

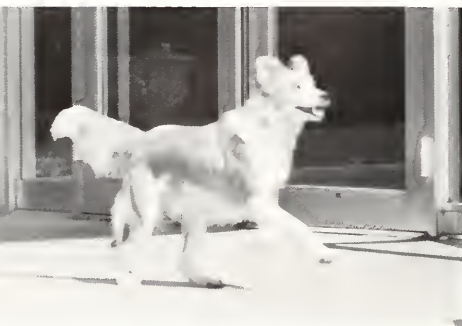

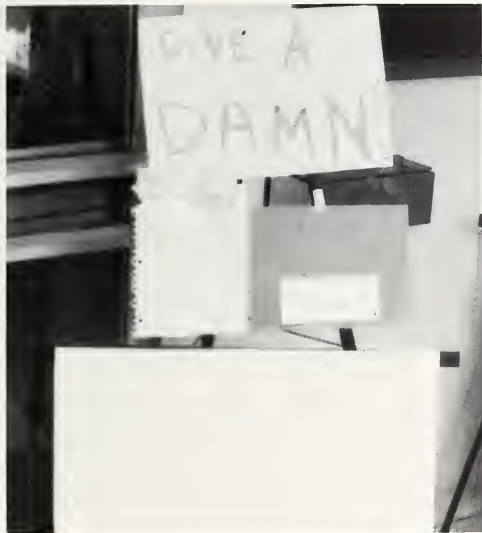

Together throughout.

Yesterday a child came out to wander
 Caught a dragonfly inside a jar,
 Fearful when the sky was full of thunder
 And tearful at the falling of a star

Then the child moved ten times round the
seasons
Skated over ten clear frozen streams,
Words like, when you're older, must
appease
And promises of someday make his
dreams.

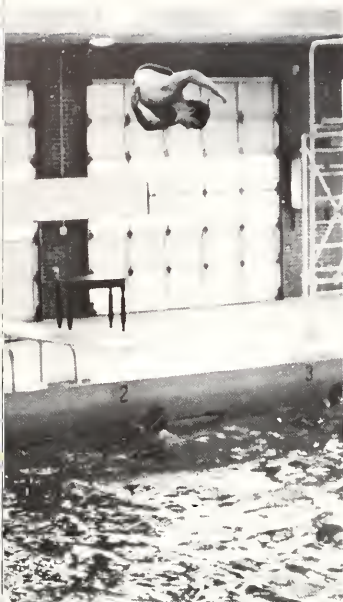

And the seasons go round and round,
And the painted ponies go up and
down.
We're captive on a carousel of time;
We can't return, we can only look
behind
From where we came
And go round and round and round
in the circle game.

So the years spin by, and the boy is twenty.
Though his dreams have lost some grandeur coming true,
There'll be new dreams, maybe better dreams and plenty
Before the last revolving year is through.

Round and round and round we spin
To weave a wall to hem us in.
It won't be long; it won't be long.

I always knew that someday
I would take this road;
But yesterday I didn't know
it would be today . . .

Circle Game by Joni Mitchell

It was here this morning.

7 A.M. Again!!

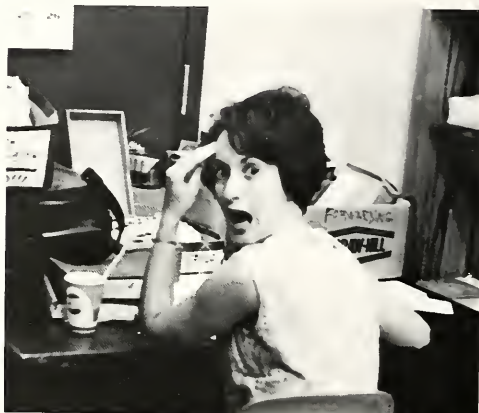

"We surrender."

Happiness is . . .

Nothing like being really close to your professor.

"Lay one hand on me and I'll scream."

A traffic jam in Barbourville?

GUYS AND DOLLS

One drop spilled and good bye Union.

"Don't look at me. I didn't do it."

"You aren't taking my picture, are you?"

"I hope it doesn't blow away."

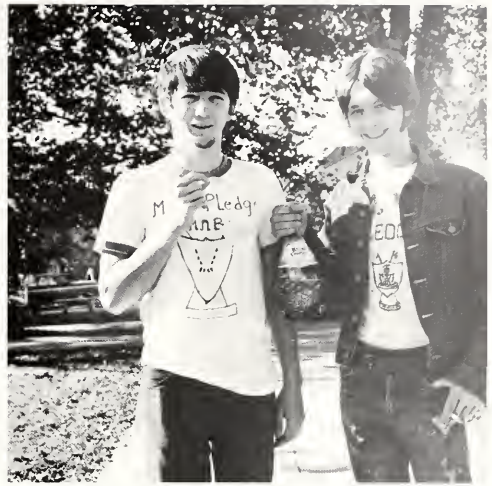

"Whose brilliant idea was it to wash this?"

"Four score and seven years ago . . ."

They could only be freshmen!

"Hey! Wait! That one was mine."

Just a few more pounds to go.

"Gosh, we must have taken a wrong turn."

How the h*** do you start this?

I've heard of being aggressive, but this is ridiculous!

"Splendor in the grass."

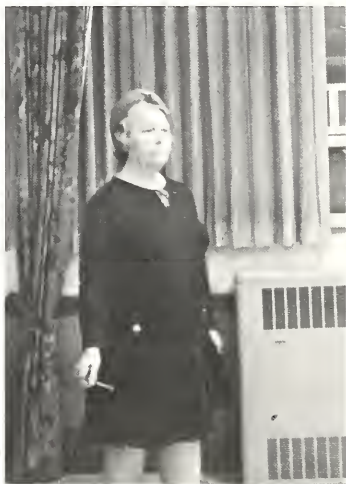

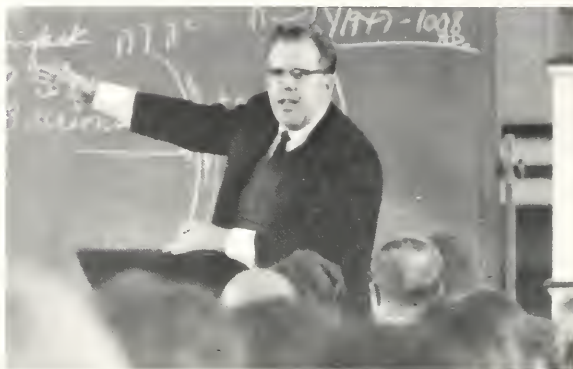

"Oh, I wish my mother was here to do this."

The sign said, "1971 Beauty Contestants".

Is she really 175,000 years old?
